

QuickBooks Online Edition Conversion Instructions

QuickBooks Online Edition (QBO V78)

Introduction

As we complete our system conversion to United Bank & Capital Trust Co., you will need to modify your QuickBooks Online Edition settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, you will need your User ID and Password for the current bank's website and United Bank's website.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

NOTE: Whether you are a customer of Farmers Bank, First Citizens Bank, Citizens Bank of Northern Kentucky or United Bank, please complete these instructions since all systems are converting.

Documentation and Procedures

Conversion – Information only

QuickBooks Online data is stored on Intuit servers in the cloud. Since we update your records with every change, we cannot restore your file to a previous point in time.

QuickBooks Online automatically updates your selected version so you are always on the latest release.

IMPORTANT: QuickBooks Online edition connectivity services may be interrupted up to 3-5 business days after the conversion is complete.
